2021 WILLAMETTE VALLEY

2021

A Council of Pigeons

55% Pinot Noir, 45% Golubok

This is truly a unique wine, as I am Oregon's only commercial grower of Golubok (an Eastern European grape grown in Russia, Ukraine and Czech Republic).

Total Acidity 5.7

pH 3.75

Residual Sugar 0

Alc by Vol 11.42

Farming:

100% estate-grown on clay soils.

No till, no irrigation.

No herbicides.

Only organic fungicides were used in 2021.

Handpicked.

Winemaking:

Native yeast.

Minimal effective SO₂.

No other additions or subtractions.

Unfiltered.

Hanson Vineyards makes 100% estate-grown, small-lot, artisan wines in an "old world" style. Expect bright fresh acidity, little oak influence and lower alcohol levels.
